Who's lonely now?  
Which one of us is suffering?  
Who's in his cups?  
Which one of us recovering?

Who likes to look at pictures  
And cries, but way too late?  
Who doesn't want to change a thing  
Accepting it was fate

The wrong man was convicted  
You know I did the deed  
I thought that you would wait for me  
Your wants I needn't heed

The wrong man lies beside you  
And waits for you to wake  
And all because I lacked conviction  
The judgment's my mistake

Who's breathless now?  
Who only hyperventilates  
Who'd die for you?  
Who's dying inside anyways

Which one of us is sunshine and  
Which one's growing dim?  
While two men dream of you at night  
Do you just dream of him?

The wrong man was convicted  
You know I did the deed  
I thought that you would wait for me  
Your wants I needn't heed

The wrong man lies beside you  
And waits for you to wake  
And all because I lacked conviction  
The judgment's my mistake

Who's lonely now?  
Who's reaching out to no one?

Who's lonely now?  
It takes one to know one

I changed my mind  
You said that I could change it back  
I wanted space and now  
Change has fallen through the cracks

If I'm again beside your body  
Don't tell me where it's been  
It's cruel, unusual punishment  
To kiss fingerprinted skin

The wrong man was convicted  
You know I did the deed  
I thought that you would wait for me  
Your wants I needn't heed

The wrong man lies beside you  
And waits for you to wake  
And all because I lacked conviction  
The judgment's my mistake

It's my mistake  
It's my mistake  
It's my mistake
