Tracey does liquor with her dad and all is well  
?Jeez?, I said and I wanted to lick the honey from her  
navel  
?Jeez?, I said and I wanted to lick the honey

And that's the trouble with Tracy  
She never seems to do what she is told  
With Tracy  
Things aren't always under control

Your breasts are like a pomegranate split open  
I said and I knew that I loved you  
I said it and I knew that I loved you

And that's the trouble with Tracy  
She never seems to do what she is told  
With Tracy  
Things aren't always under control

Yeah, with Tracy  
She never seems to do what she is told  
With Tracy  
Things aren't always under control

Tracy is awake and her face said words  
She is in love and admits it heartily  
She's in love and admits it heartily to herself  
To herself only

And that's the trouble with Tracy  
She never seems to do what she is told  
With Tracy  
Things aren't always under control

Yeah with Tracy  
She never seems to do what she is told  
With Tracy  
Things aren't always under control

That's the trouble with Tracy  
She never seems to do what she is told  
With Tracy

Things aren't always under control  
With Tracy  
(Yeah with Tracy)  
She never seems to do what she is told  
(Yeah with Tracy)  
With Tracy  
(Yeah with Tracy)
