### WHAT A LETDOWN

Even if I let this settle,  
It'll lead to a little fight.  
Even when I get to meddling  
I need to remain polite.

I could cut across this field,  
But it hits pretty close to home.  
Maybe if I jiggle it a little  
It'll open up on it's own.

Oh well, what a letdown.  
Oh well, what a letdown.

Never has a stranger had a better  
Taste of another town.  
Just time for a cowboy breakfast -  
That's a leak and a look around.

Looks like the land of plenty;  
There will be plenty there to do.  
That might have been funny at twenty,  
But I just turned thirty-two.

Oh well, what a letdown.  
Oh well, what a letdown.

Oh well, what a letdown.  
Oh well, what a letdown.

Let down your guard.  
Moving forward.  
Finally, four words:  
What a let down.

What a letdown.

Even if I let this settle,  
It'll lead to a little fight.  
Even when I get to meddling  
I need to remember to remain polite.

I could cut across this field,  
But it hits pretty close to home.  
Maybe if I jiggle it a little  
It'll open up on it's own.

Oh well, what a letdown.  
Oh well, what a letdown.

Oh well, what a letdown.  
Oh well, what a letdown.

What a letdown.  
Oh well, what a letdown.

Oh well, what a letdown.  
What a letdown.
