Oh, tragedy has taken so many  
Love, lost cause. They all forgot who You were.  
And it scares me to think that I would choose  
My life over You  
Oh, my selfish heart divides me from You  
It tears us apart

So tell me what is our ending?  
Will it be beautiful, so beautiful?

Oh, why do I let myself let go  
Of Hands that painted the stars  
And hold tears that fall?  
And the pride of my heart makes me forget  
It's not me but You, that makes the heart beat  
I'm lost without You, Your dying for me

So tell me what is our ending?  
Will it be beautiful, so beautiful?  
Will my life find me by Your side?  
Your love is beautiful  
So beautiful

At the end of it all  
I wanna be in Your arms  
At the end of it all  
I wanna be in Your arms  
At the end of it all  
I wanna be in Your arms  
At the end of it all  
I wanna be in Your arms

So tell me what is our ending?  
Will it be beautiful, so beautiful?  
Will my life find me by Your side?  
'Cause Your love is beautiful  
So beautiful
