I was up all night
What can I say
I was up all night
Drinking with Trey
I was up all night
What can I say
I was up all night
Drinking with Trey

Well I parked the car at five am
Didn't open the door until it was six
Drank my whole bottle of whiskey
And you didn't use a mix
I know if you drink Beam without Coca-Cola
It means you're looking out to kill
And just because I tie twenty on
Doesn't mean that I don't love you still

I was up all night
What can I say
I was up all night
Drinking with Trey

Well I stubbed my toe going up the stair
And I sat down for a while
All my clothes were in a box
And my records were in a pile
I know I ain't no prince charming
And Sir Galahad is just a tale
But I'm just trying to live my life
I never cease to fail

I was up all night
What can I say
I was up all night
Drinking with Trey
I was up all night
Now I'll go away
I was up all night
Drinking and drinking
And drinking and drinking
And drinking
