I was driving east from reno  
Know that I was denver bound  
So I stopped off in selena  
Wanted to take a look around  
I had zachary sitting next to me in the driver seat  
Said damn this world is beat  
Pull off here  
He said no man this place here looks sketchy

This place was cool it was called cheetahs  
They had bushnells they had brauts  
Served me nachos with velveeta  
How can I tell you man I was shocked  
Give a little stretch and turned to survey around the  
room  
Hey bartender how about round three haha  
This ones on me

I had to adjust my eyes in the dim light  
And I turned to my surprise this straight redneck  
looking girl said  
Hey man do you mind if I sit here  
Well I said hell no take off a load  
She had blue jeans cut so damn low  
Zach said hey she's yours josho  
I said darling how long have you lived here  
Ah shucks

When I looked across the bar  
Seen fellas not feeling so right  
Figured she probably slept with most guys in this dive  
That don't matter it's just one night  
Then I said whoa when she asked me to dance  
And she smiled so deviously  
I only said yes cause the jukebox was playing Hank  
Green

We were moving for a little bit  
The next song was sung by travis tritt  
And I said shit man alright that's it  
It's time for another drink  
What do you think darling

Sure  
Alright  
Serve em up son

Well the night was getting spendy  
Already 75 dollars deep  
She said excuse me baby I gotta go to the restroom  
I'll meet you back at the bar  
And I thought well shit man I gotta go to  
But I didn't know she wasn't a lady  
I didn't know she was a man  
I didn't know until she was standing just like I was in the  
can  
But I should have known  
Hey dog  
Ya beto  
Lets roll
