It's five minutes to midnight  
So what does that mean  
I have no idea but  
Five minutes to midnight  
Does that mean drinks are half price  
That means we got three more songs I think  
What are we playing  
My boy right here is gonna sing a song for all you surf  
lovers

Practice  
Alright this goes out to all the fellas

Hot rods and teenage sluts  
Cocaine baby there's never enough  
I got a hot rod and I'm running on down the road

Well I got a hot rod and it's stuck in the side of my head  
Well I woke up this morning and I was in my own bed  
I got a teenage slut and I'm still in bed

Well you can go down to mexico  
And you can go find yourself a catholic chick  
She might hold your hold  
She might give you a kiss  
You can come to united states and meet yourself a  
whore
