Jenny got a new car but I don't care
Jenny like to show off her long black hair
Jenny got a big head it's up in the air
Ooh Jenny your annoying

I knew Jenny when she had rollerskates
And I knew Jenny when she had braces
I was there at her sweet sixteen
Jenny was one of my favorite

Then there was prom night our friendship had no doubt
Was the only one that stayed with her when she passed
out
But things are not so different can't you see
Cause stupid Jenny went and won the lottery

Jenny got a new car but I don't care
Jenny like to show off her long black hair
Jenny got a big head it's up in the air
Ooh Jenny your annoying

Jenny got a new car but I don't care
Jenny like to show off her long black hair
Jenny got a big head it's up in the air
Ooh Jenny your annoying

Jenny got a new boy every night
Jenny keep her family out of sight
Jenny don't give to charity and that ain't right
Ooh Jenny your annoying
Ooh Jenny your annoying
Ooh Jenny
I love you
