VDK VDK you're M.I.A. on football day  
What the fuck is there a star trek convention  
Uh, uh a fucking workshop, unhappy or something  
What the hell

I'm a kid gone bad and I'm always sad  
And I'm a demon seed and my heart bleeds  
And I almost bought ya, almost sold ya, almost taught  
ya, and I almost told ya  
I'm a demon seed and my heart bleeds  
And I'm a kid gone bad and I'm always sad  
And together we are c-emcini I am four-four you are  
three-three  
Break down hit the ground sad scene is what I found  
You wouldn't leave, you couldn't leave me  
Break down hit the ground sad scene is what I found  
You wouldn't leave, you couldn't leave me

I'm a kid gone bad and I'm always sad  
And I'm a demon seed and my heart bleeds  
And I almost bought ya, almost sold ya, almost taught  
ya, and I almost told ya  
I'm a demon seed and my heart bleeds  
And I'm a kid gone bad and I'm always sad  
And together we are c-emcini I am four-four you are  
three-three  
Break down hit the ground sad scene is what I found  
You wouldn't leave, you couldn't leave me  
Break down hit the ground sad scene is what I found  
You wouldn't leave, you couldn't leave me

You are crumbling I can tell  
Truth hurts, might as well  
Go to the mountain find her shelter  
Watch the trees grow and try to mend her  
Heartbroken cracked by lies  
But she always tries  
A new way to see  
You minus four equals me

Break down hit the ground sad scene is what I found  
You wouldn't believe, you couldn't leave me

Break down hit the ground sad scene is what I found  
You wouldn't believe, you couldn't leave me
