Murderer

Blood upon your shoulder

Kill I today you cannot kill I tomorrow

Murderer

Your insides must be hollow

How could you take anothers life

Murderer

Blood upon your shoulder

Kill I today you cannot kill I tomorrow

Murderer

Your insides must be hollow

How could you take anothers life

All men are created equal

If you can (?) it's a different sequel

(?) from family no friend

Why you disobey the first commandment

Murderer

Blood upon your shoulder

Kill I today you cannot kill I tomorrow

Murderer

Your insides must be hollow

How could you take anothers life

Wash your hand and you can't wash no more

It's like an epidemic and you can't find no cure

Why you wanna kill off your brother

Murderer

Blood upon your shoulder

Kill I today you cannot kill I tomorrow

Murderer

Your insides must be hollow

How could you take anothers life
