Aha, haha  
Now then hang on to them hats and glasses  
Cause this here is the wildest fucking ride in the  
wilderness  
My time is over  
I'm a dead man walking  
Wouldn't have me in hell  
This is what I mean when wack MC's walk across my  
deck  
Over leave a mirror (?)

It's been a long time since I've changed my shoes  
Cause there's no free love  
This is our third show in about 25 hours and  
We've been drinking it all through the shows  
Ok this next song is called hippies fuck  
We go on and on and on ya we go on ay  
We go on and on and on ya we go on  
We go on and on and on ya we go on ay  
We go on and on and on ya we go on

Got back my wallet never got my sneaker  
But I knew melodica and I no longer have a beeper  
I stabbed her in the back  
I just sat there watched her bleeding  
And I don't know why but I never thought of leaving  
Traditional english harmony  
We go on and on and on ya we go on ay  
We go on and on and on ya we go on  
We go on and on and on ya we go on ay  
We go on and on and on ya we go on

I sing a song of madness  
You better tell me now  
Fills the life  
What
