I fell in love in Santa Ana  
The girl was just my type  
Then we made love in Santa Ana  
The shit went on all night  
And then she said to me  
Oh Joshua can't you see  
I'm the kind of girl you should marry  
A twenty year old girly  
I felt like Mr. Furley  
Looking at Janet and Terri

Well I got lost in Santa Ana  
Trying to find a payphone  
A victorious soldier in Santa Ana  
Hoping to find his way home  
And I saw the Condre's bug  
And I gave home boy a hug  
Haven't seen him for about a year now  
I said now check it yo  
I've been walking toe to toe  
He said you can always count on me bro

Well he and I left Santa Ana  
And Long Beach was just in sight  
I said what the hell were you doing in Santa Ana  
Something just wasn't right  
He said there's this mommy there  
With long flowing auburn hair  
And a blond streak down the left side  
He talked some other biz  
And I knew my girl was his  
Check you later dog thanks for the ride

Well this girl of ours  
Her name was Adriana  
Would mess up a friendship that's tight  
I met her through my friend Susana  
Who called me the very next night  
She said I swear it's true what I'm about to drop on you  
Your little girlfriends got a scandalous habit  
A sorted tale is this about where she likes to piss  
And at Jeff's house she revealed it

While he poured himself a drink and I pissed in his  
bathroom sink  
Even though the air of romance wafted inside  
Well the old sink didn't hold and the girl got knocked  
out cold  
Got to go now the ambulance has arrived

Oooohhh, Adriana  
Oh no, no no  
Oooohhh, Santa Ana
