Don't be down without your juice

Prepare for the coming of the wintermute

If you like

You get fruit

Prepare for the coming of the wintermute

No it's creek bed pottery

Loving

Squeezing

All that I got

Some say it's too warm but I like it hot

The best secret told

Was ssh ssh ssh

The mold was old and I said ssh ssh ssh

Such a studly little boy

Please don't hurt him he's my toy

In the wintermute castle we played toys with love and
joy

But some couldn't take it

Scream

Get him

Burn him

Pull his clothes off

Take off his trousers

Give him candy

Give him pain

Don't be down without your juice

Prepare for the coming of the wintermute

If you like

You get fruit

Prepare for the coming of the wintermute

Psoriasis examakisses

If you've got the passion you can seal the deal

Conviction wisdom boobies and zeal

There's no such thing in the wintermute's castle

You don't like boys you're silly

If you don't like riddles you're in trouble

Joyful
