You said you love me
But then you left
You broke every promise, oh yes you did
You win every bet
You never miss your water
Till your well runs dry
Tell me, tell me whatcha gonna do when your well runs
dry?
Whatcha gonna do when your well runs dry?
Whatcha gonna do when your well runs dry?
I'd like to know, whatcha gonna do when your well runs
dry?

Listen to me, darling
You cheat and you lie
Now you come around here
Running, wanting second try
You never miss your water
You never miss your water
You never miss your water
Till your well runs dry
Tell me, tell me whatcha gonna do when your well runs
dry?
Whatcha gonna do when your well runs dry?
Whatcha gonna do when your well runs dry?
I'd like to know, whatcha gonna do woman when your
well runs dry?

Sat down and sighed
And I heard you packing
I watched you pass by me
But you said nothing, not one single word
But I know you're gonna miss me and you're gonna be
blue
Tell me, tell me, whatcha gonna do when you're feeling
blue?
Whatcha gonna do when you're feeling blue?
Whatcha gonna do when you're feeling blue?
I'd like to know, whatcha gonna do when you're feeling
blue?
