Baby what have I done  
Gone and left you all alone  
It's hard for me to sing this song  
We've been together for so long  
Think I know what my souls got to say  
It won't hurt as bad some day  
It's gonna be alright oh baby  
Oh it's gonna be alright love  
And if the mist ever lets the sun through  
I'll just hope I did the right thing for me and you

I guess I'm ruled by my heart  
Built a life and I tore it all apart  
It's just not our time  
But you'll find a new love and you'll be fine  
So many dark and lonely nights  
But I believe some day I'll see the light  
It's gonna be alright oh baby  
Oh it's gonna be alright love  
And if the mist ever lets the sun through  
I'll just hope I did the right thing for me and you  
It's gonna be alright oh baby  
Oh it's gonna be alright love  
And if the mist ever lets the sun through  
I'll just hope I did the right thing for me and you  
Mmm me and you

Last time I saw you I was holding your hand  
And I couldn't wait for you to leave me  
I knew right then that it was over and done  
And I couldn't believe that I was free  
Help me now I'm going down and I don't know if I'll be  
okay  
I'll be around  
I'll be in town  
If you need a place to stay

When the wind blows and there's a chill in the air  
I hope there's someone who's taking care of you  
I'm alright ya I'm really okay  
Just so you know I'm always there for you  
Help me now I'm going down and I don't know if I'll be

okay  
I'll be around  
I'll be in town  
If you need a place to stay

Mike custet and me with mamogra made three  
Went out to joshua tree with a sack of long beach hot  
wings  
When we got there they were cold  
Not as good as when they are old  
But my homeboy still was sold cause I still had all my  
favorite lps  
Take this ache as a final break  
Tender situation create a good illusion  
Feel the grip of your salvation  
Ya dude this is really a tender situation  
Get off the pot man shake and bake  
Taste the waste boy taste the waste  
Pump it up or stray from that old station  
Ya dude this is really a tender situation  
What is my case in your glorification  
Ya dude this is really a tender situation  
Get off the pot man shake and bake  
Taste the waste boy taste the waste  
Pump it up or stray from that old station  
Ya dude this is really a tender situation mmm

Tender situation  
Take this ache as a final break  
Tender situation create a good illusion  
Get off the pot man shake and bake  
Ya this is really a tender situation  
What is your case in my glorification  
Ya dude this is really a tender situation mmm
