Demonstration of protest  
Are putting brother against brother  
Juvenile delinquents  
Are putting mother against child  
Men are building rockets  
To go into outer space  
Others building implements  
To wipe out the human race

Well I don't know  
I don't know  
What the world is coming to  
I don't know  
What in the world were gonna do

Work so hard in the day time  
Preparing our future goals  
Drink so hard in the night time  
To feed our empty souls

Well I don't know  
I don't know  
What the world is coming to  
I don't know  
What in the world were gonna do
