The Lights were shining
The bridge was burning
As I came down to old paulin
Things been coming by
Ain't no reason to live or die
Take me down to old paulin
I'm dancing with devil here
She telling me I don't get high no more
I'm no loser you're a Queen
Make you mine now
Tell me what's your name
Tell me what's your name

My soul is bared
My foods been shared
Heading down to old paulin
Take the rough with the smooth
I don't look for no grooves
Heading down to old paulin
I'm dancing with devil here
She telling me I don't get high no more
I'm no loser you're aQueen
Make you mine now
Tell me what's your name
Tell me what's your name

I'm dancing with devil here
She telling me I don't get high no more
I'm no loser you're aQueen
Make you mine now
Tell me what's your name
Tell me what's your name

The bridge is built
And the wines been split
Heading down to old paulin
Things been coming by
Ain't no reason to live or die
Take down to old paulin
I'm dancing with devil here
She telling me I don't get high no more

I'm no loser you re a Queen
Make you mine now
Tell me what's your name Please
Tell me what's your name
