BarlowGirl - Beautiful Ending
From the album Love And War

Oh tragedy has taken so many
Love lost cause they all forgot who You were
And it scares me to think that
I would choose my life over You

Oh my selfish heart divides me from You, it tears us
apart
So tell me
What is our ending?
Will it be beautiful, so beautiful?

Oh how do I let myself let go
Of hands that painted the stars and hold tears that fall?
And the pride of my heart makes me forget it's not me
but you
Who makes the heart beat

I'm lost without you and you're dying for me

So tell me
What is our ending?
Will it be beautiful, so beautiful?

Will my life
Find me by Your side?
Your love is beautiful, so beautiful
At the end of it all I want to be in Your arms

So tell me
What is our ending?
Will it be beautiful, so beautiful?
Will my life
Find me by Your side?
Your love is beautiful, so beautiful
At The End Of It All I Wanna Be In Your Arms
At The End Of It All I Wanna Be In Your Arms
At The End Of It All I Wanna Be In Your Arms
