Clothes aren't what they used to be
They don't seem to fit you and me anymore
Modesty is out the door
Flaynting what we've got and more is in
Yeah it's in yeah

Ba da da da da da
Ba da da da da da

They're saying
Don't ask why just wear what we say
You'll look like a model if you'll only obey
To get the attention, just do what we say

Pay so much for clothes so small
Was that shirt made for me or my doll?
Is this all I get?
I looked so hot but caught a cold
I was doing just what I was told
To fit in yeah

Ba da da da da da
Ba da da da da da

They're saying
Don't ask why just wear what we say
You'll look like a model if you'll only obey
To get the attention, just do what we say

We're saying let's ask why
Don't wear what they say
Don't want to be a modle
They can't eat anyway
That kind of attention will fade with the day
So I'll stand up and say

Clothes that fit are fine
Won't show what's mine
Don't change my mind
I'll be fine

Clothes that fit are fine

Won't show what's mine
Don't change my mind
I'll be fine
I'll be fine
I'll be fine
I'll be fine
