Grey's my favorite color  
Black and white has never been my thing  
I'll take my drink lukewarm now  
Hot and cold is not the thing for me

Absolutes are hidden  
I've buried my convictions

I cannot be blind no more  
Numb to what I'm living for  
Help me stop this compromise that justifies these lies  
I need Your passion in this life  
In this life

I don't want to impose  
Who really needs to know what I believe  
Cause no one likes rockin' boats  
And who would care to see the way I see

Absolutes are hidden  
I've buried my convictions

I cannot be blind no more  
Numb to what I'm living for  
Help me stop this compromise that justifies these lies  
I need Your passion in this life  
In this life

So give me the fire, yeah  
God give me Your fire  
And raise this life higher

I cannot be blind no more  
Numb to what I'm living for  
Help me stop this compromise that justifies these lies

I cannot be blind no more  
Numb to what I'm living for  
Help me stop this compromise that justifies these lies  
I need Your passion in this life  
In this life

Grey's my favorite color, yeah
