Once again I said my goodbyes  
To those I love most  
My heart feels that familiar pain  
As I long for home  
'Cause this road is hard  
When I feel so far

God I'm crying out tonight  
'Cause I've given You my life  
But I'm tired and I'm missing what's behind  
So once more here's my life

On the day that You called my name  
All that I knew changed  
I found when I said yes that I'd never be the same  
Though the call is hard  
You are worth it all

God I'm crying out tonight  
'Cause I've given You my life  
But I'm tired and I'm missing what's behind  
So once more

Even when the tears are falling  
When I find I fear the calling  
You remind me  
Words You've spoken over my life  
Promises I've yet to see  
You comfort me

[Background: repeat you comfort me 3x's]

God I'm crying out tonight  
'Cause I've given You my life  
But I'm tired and I'm missing what's behind  
So once more, here's my life

God I'm crying out tonight  
'Cause I've given You my life  
But I'm tired and I'm missing what's behind  
So once more, here's my life  
Here's my life
