Rise up again
Shake off the shadows
Unlock the doors
and let hope live once more
Cause up from the ashes
oh the fire is walkin
Cause those who were broken,
are becoming the chosen

(Chorus)
So lift up your eyes
Cause we're not forgotten
And hope will lead us on

(Verse 2)
Our hearts come alive
With every moment
Become the flame
that shows us the way ooohhh
so sing out your freedom
sing it out loud
cause though we are broken
we're becoming the chosen

(Chorus)
So lift up your eyes
Cause we're not forgotten
And hope will lead us on
Oh we pray for the dawn
and we reach for the morning
And hope will lead us on

(Bridge)
Ohh The day will come
as we press on ooohhh
when the battle's won

So life up your eyes
cause we're not forgotten
and hope will lead us on (x2)
Oh we pray for the dawn

and we reach for the morning
and hope will lead us on (x3)
