They're telling me they're concerned for the way I am
living
That I'll miss it all, why would I think God is that
trusting?
I can't explain all the words He has spoken to my heart
Why I'd want Him more?

And I don't regret choosing You
And I'm not ashamed
That it's You who holds my heart

Why do we think if we trust God too much He will fail
us?
Nothing has come when I choose that in me I'd trust
Separate me, You have called out to follow You blindly
I won't fear You're leading me

And I don't regret choosing You
And I'm not ashamed
That it's You who holds my heart

You have shown my ever wondering heart what love is
What on earth is more important than to have all of You

And I don't regret choosing You
And I'm not ashamed
That it's You who holds my heart, my heart
