Why, why are You still here with me  
Didn't You see what I've done?  
In my shame I want to run and hide myself  
But it's here I see the truth  
I don't deserve You

*[Chorus:]*

But I need You to love me, and I  
I won't keep my heart from You this time  
And I'll stop this pretending that I can  
Somehow deserve what I already have

I need You to love me

I, I have wasted so much time  
Pushing You away from me  
I just never saw how You could cherish me  
'Cause You're a God who has all things  
And still You want me

Your love makes me forget what I have been  
Your love makes me see who I really am  
Your love makes me forget what I have been
