Mirror, Mirror on the wall, Have I got it?  
'Cause Mirror you've always told me who I am  
I'm finding it's not easy to be perfect  
So sorry you won't define me  
Sorry you don't own me

Who are you to tell me  
That I'm less than what I should be?  
Who are you? Who are you?, yeah  
I don't need to listen  
To the list of things I should do  
I won't try, no, I won't try

Mirror I am seeing a new reflection  
I'm looking into the eyes of He who made me  
And to Him I have beauty beyond compare  
I know He defines me, yeah,

Who are you to tell me  
That I'm less than what I should be?  
Who are you? Who are you?, yeah  
I don't need to listen  
To the list of things I should do  
I won't try, no, I won't try

You don't define me, you don't define me,  
You don't define me, you don't define me.

Who are you to tell me  
That I'm less than what I should be?  
Who are you? Who are you?, yeah, yeah  
I don't need to listen  
To the list of things I should do  
I won't try, no, I won't try, yeah, yeah

Who are you to tell me  
That I'm less than what I should be?  
Who are you? Who are you?, yeah, yeah  
I don't need to listen  
To the list of things I should do  
I won't try, no, I won't try, yeah, yeah
