"Open Heavens"

A cry rises from the ground
As all the earth begins to shake
Can you feel the spirit move you
Calling all hearts to wake

Life is rising from these graves
A voice breaks the silence
And warms the dying heart
Oh, this is just the start

Cause we will open heavens
And we'll start the flame now
All the earth will shake now
As we scream Your name

Our eyes have been opened wide
And passion filling every place
Now's the time so let Him move you
Cause something is about to break

We are falling on our face
Searching for movement
Give us fire in these days
Oh Spirit, lead the way

Cause we will open heavens
And we'll start the flame now
All the earth will shake now
As we scream Your name

Whoa-oh, whoa-oh
Whoa-oh, whoa-oh

Cause we will open heavens
And we'll start the flame now
All the earth will shake now
As we scream Your name

Whoa-oh, whoa-oh
Whoa-oh, whoa-oh
Whoa-oh, whoa-oh
Whoa-oh, whoa-oh

Hallelujah, singing Hallelujah
We will cry out from our hearts now
Hallelujah, singing Hallelujah
Singing Hallelujah
We will cry out from our hearts now
Hallelujah, Hallelujah
We will cry out from our hearts now
Hallelujah
