The tension is thick in the air  
Making it hard to see  
I fear what is to come  
And what will become of me  
I say a prayer, help me not run away  
Will you please hold me

And sing me a love song again  
Say the words that heal my heart  
Sing me a love song and then  
Let your words remind me who I am

You've never failed me before  
Why do I feel betrayed  
If I close my heart to you now  
The darkness would have it's way  
I crave your voice, help me not fall away  
Will you please hold me

And sing me a love song again  
Say the words that heal my heart  
Sing me a love song and then  
Let your words remind me who I am

Cause you are all I need  
And all that I want is you with me  
You are all I need  
And all that I want is you with me

So sing me a love song again  
Say the words that heal my heart  
Sing me a love song and then  
Let your words remind me who I am
