Well, I spent my life dreaming super dreams.
But I hate to wake cause it's then I see
That I'm nothing more than a dreamer.
Superstar in my dreams, I'm a dreamer.

See the lights of stardom were calling me
Because only then someone I would be.
So my goal in life was to get there
Never satisfied

Chorus
I wanna be a star
But is that all I'm really here for?
And if I'm not a star, will it be ok?
Could I still be someone?

Guess I'm scared to wake from these super dreams
Scared to live the life that's been waiting for me
What would life be like with no bright lights?
Tell me who I'd be with no spotlight?

God you'll have to say who I really am
Cause I can not live in this perfect dreamland.
But I've heard your dreams might be better
And I hope somehow they are

Chorus

Bridge
A superstar I may never be
And that is just a reality
Why can't we be
God's superstars?
