"Take Me Away"

Pushing my way through these crowded streets
Trying not to be swept away
Fighting just to keep this crowd from
Hiding You another day

So maybe this time I'll find You
And maybe this time I'll push through
To see You today, today

[Chorus:]

Won't You take me away
Won't You take me away
'Cause I need some time to get away

Where only You could ever
Take me away, away, away
Too many days I've been distracted
Watched these crowds push You away
I'm so tired of feeling empty
Without You I waste these days

So maybe this time I'll find You
Just don't stop calling me to You
And I'll find my way today
