I love to dance with Peg Leg Sue
She got one, I got two
I told her to save a dance for me
My boogie woogie amputee
We're gonna hop swing and jump
I shake my hips, she shakes her stump
Yeah
Sha la la la Wee ahh ooh
Disco Disco Peg Leg Sue
Oh Suzie baby if you please
Let me give your stump a squeeze
It turns me on that empty knee

My boogie woogie amputee
Down hetta-hetta
Oh Suzie you sho ain't got two left feet baby
Oh Suzie Oh Suzie you're my fave
You only got one leg to shave
You got style, you got charms
Aren't you glad you got both arms
You're gonna use 'em tonite
Yeah.
