Gonna call ya gonna meet ya
Take you out to a double feature
I'll buy ya candy I'll getcha high
I hope you think I'm a special guy
I'd like to say I love you but
Everyone says you're a slut
I'd like to say I love you but
Everyone says you're a slut
Yes everyone says you're a slut
You got a bad bad reputation
Always needing stimulation
I don't care what's wrong or right
I just wanna hold you tight
I'd like to say I love you but
Everyone says you're a slut
Ahh don'tcha know a slut's life is so lonely baby
Ahh don'tcha know the good sluts die young
On baby oh baby oh baby don't be a slut
Baby don't let their words hurt ya
Don't let love desert ya
I told ya I don't care what's wrong or right
I just wanna hold you tight
Yeah
