Now, darling, I regret
Every single time
Of every single bet
And I think that I was a loser

And even though I'm short and fat
You say, darling
You say, darling
You can look past that
You see, it really doesn't matter

You see, you're a lady
And I'm a man, it seems like we
Should be able to understand
Seems crazy, seems so crazy

[CHORUS]
We been singing songs
Such a long time
We been singing songs
Such a long, long time now
We been singing
We been singing songs
Such a long time

You say there must be
Something more to making love
Than just lying naked
In bed with you

You see there must be
Something more to making love
It's easy, it's so easy

[Repeat CHORUS]

We been singing music, good song
Singing music is a good song
Singing music is a good song

Singing music (singing music)
Good song (good song)

Said the music is a good song
Said the music is a good song

Good song (good song)
Music (music) singing
Singing music is a good song
Singing music is a good song

Bom bom dooby day...
