Can't help it if I wonder, wonder what she's doin'  
Can't help it if I wonder what she's doin' tonight  
(Tonight) oh where can she be? (tonight)  
As I sit alone I just can't help but wonder  
If she still thinks of me  
Can't help it if I wonder, wonder what she's doin'  
tonight  
(Tonight) oh I wish I knew (tonight)  
Is she in somebody's arms and is he holding her  
The way I used to do?  
Can't help it if I wonder what she's doin' tonight

I thought that I could do without her  
Thought that I could get along just fine  
But I was wrong  
For ever since we said goodbye  
I just can't seem to get her off my mind

Can't help it if I wonder what she's doin' tonight  
(Tonight) if she only knew (tonight)  
That I'm sorry and I'm still so much in love with her  
I wonder what she'd do  
Can't help it if I wonder, wonder what she's doin'  
tonight (tonight)
