A Gift of Love- Barry Manilow

Here, in this silent night
Now all the world is right
As if we've suddenly been given
A gift of love

A gift of love

Warm as the fire glow
Soft as the falling snow
A precious miracle we live in
This wonder of
A gift of love

Night falls
At this coldest time of the year
Love calls
And it's in summer in here

Here where I love you so
Now as our blessings grow
We share the greatest gift we'll ever know
A gift of love

A gift of love
