How can I just  
Let you walk away?  
Just let you leave  
Without a trace  
When I stand here  
Taking every breath  
With you, ooh  
You're the only one  
Who really knew me  
At all

How can you just  
Walk away from me,  
When all I can do  
Is watch you leave  
'Cause we've shared  
The laughter and the pain  
And even shared the tears  
You're the only one  
Who really knew me at all

So take a look at me now,  
Who has just an empty space  
And there's nothing left here  
To remind me,  
Just the memory of your face  
Well take a look at me now,  
Who has just an empty space  
And you coming back to me  
Is against the odds  
And that's  
What I've got to face

I wish I could  
Just make you turn around,  
Turn around to see me cry  
There's so much I need  
To say to you,  
So many reasons why  
You're the only one  
Who really knew me at all

So take a look at me now,  
Who has just an empty space  
And there's nothing left here  
To remind me,  
Just the memory of your face  
Now take a look at me now,  
'Cause there's just  
An empty space

But to wait for you,  
Is all I can do  
And that's what  
I've gotta face  
Take a good look at me now,  
'Cause I'll still be  
Standing here  
And you coming back to me  
Is against all odds  
It's the chance  
I've gotta take

Take a look at me now
