Once in your life you find her  
Someone that turns your heart around  
And next thing you know you're closing down the town

Wake up and she's still with you  
Even though you left her way across town  
Wondering to yourself, "Hey, what've I found?"

When you get caught between the moon and New York  
City  
I know it's crazy but it's true  
If you get caught between the moon and New York City  
The best that you can do, the best that you can do is  
fall in love

Arthur, he does as he pleases  
All of his life, he's mastered choice  
But deep in his heart, he's just, he's just a boy

Living his life one day at a time

And showing himself a real good time  
Laughing about the way they want him to be

When you get caught between the moon and New York  
City  
I know it's crazy but it's true  
If you get caught between the moon and New York City  
The best that you can do, the best that you can do is  
fall in love

When you get caught between the moon and New York  
City  
I know it's crazy but it's true  
If you get caught between the moon and New York City  
The best that you can do, the best that you can do is  
fall in love  
(When you get caught between the moon and New York  
City)

I know it's crazy but it's true  
If you get caught between the moon and New York City

The best that you can do
