Once in your life you find her
Someone that turns your heart around
And next thing you know you're closing down the town

Wake up and she's still with you
Even though you left her way across town
Wondering to yourself, "Hey, what've I found?"

When you get caught between the moon and New York
City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do, the best that you can do is
fall in love

Arthur, he does as he pleases
All of his life, he's mastered choice
But deep in his heart, he's just, he's just a boy

Living his life one day at a time
And showing himself a real good time
Laughing about the way they want him to be

When you get caught between the moon and New York
City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do, the best that you can do is
fall in love

When you get caught between the moon and New York
City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do, the best that you can do is
fall in love
(When you get caught between the moon and New York
City)

I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do
