Unto us a son is given  
Unto us a son is given  
Unto us a son is given  
Unto us a child is born  
Tonight the stars shine for the children  
And light the way for dreams to fly  
Tonight our love comes wrapped in ribbons  
The world is right  
And hopes are high  
And from a dark  
And frosted window  
A child appears  
To search the sky  
Because it's Christmas  
Because it's Christmas  
Tonight belongs to all the children  
Tonight their joy rings through the air  
And so we send our tender blessings  
To all the children everywhere  
To see the smiles and hear the laughter  
A time to give  
A time to share  
Because it's Christmas  
For now and forever  
For all of the children  
And for the children in us all  
Tonight belongs to all the children  
Tonight their joy rings through the air  
And so we send our tender blessings  
To all the children everywhere  
To see the smiles and hear the laughter  
A time to give  
A time to share  
Because it's Christmas  
For now and forever  
For all of the children  
And for the children in us all
