You know I can't smile without you  
I can't smile without you  
I can't laugh and I can't sing  
I'm finding it hard to do anything

You see I feel sad when you're sad  
I feel glad when you're glad  
If you only knew what I'm going through  
I just can't smile without you

You came along just like a song  
And brighten my day  
Who would have believed that  
You were part of a dream  
Now it all seems light years away

And now you know I can't smile without you  
I can't smile without you  
I can't laugh and I can't sing

I'm finding it hard to do anything

You see I feel sad when you're sad  
I feel glad when you're glad  
If you only knew what I'm going through  
I just can't smile

Now some people say happiness takes  
So very long to find  
Well, I'm finding it hard  
Leaving your love behind me

And you see I can't smile without you  
I can't smile without you  
I can't laugh and I can't sing  
I'm finding it hard to do anything

You see I feel glad when you're glad  
I feel sad when you're sad  
If you only knew what I'm going through  
I just can't smile without you
