ooohhh, uhhhh  
Christmas, is just around the corner  
Christmas, you feel it in the air  
Better write all your letters to Santa  
There's shopping and wrapping to do  
I bet, you'll never believe it  
When you see what I got you  
You're gonna love it

Christmas, is just around the corner  
Candles, are glowing everywhere  
Can't wait until that night  
Reindeer appear  
Christmas, and it's just about here.

Christmas, (Christmas)  
Is just around the corner, (is just around the corner)  
Christmas, (Christmas)  
You feel it in the air, (you feel it in the air)  
All the trees are surrounded with presents  
The stockings are fillin' up too  
I bet you'll never believe it  
When you see what I got you

What did you get me?

Christmas, (Christmas),  
Is just around the corner (is just around the corner)  
Sleigh bells, (Sleigh bells)  
Are ringing in the square, (are ringing in the square)  
Too bad December comes  
Just once a year  
Christmas, (Christmas)  
Time to trim the tree  
Christmas, (Christmas)  
Can it really be?  
Christmas, (Christmas)  
Yes its finally here  
We've been waiting all year  
And it's finally here  
Yes it's finally here  
ooohhhh

It's finally here  
Christ-mas
