Spirit move me everytime I'm near you
Whirling like a cyclone in my mind
Sweet Melissa, angel of my lifetime
Answer to all answers I can find

Baby, I love you, come, come
Come into my arms
Let me know the wonder of all of you

And, baby, I want you, now, now
Now and hold on fast
Could this be the magic at last?

I could love you, build my world around you
Never leave you 'til my life is done

Baby, I love you, come, come
Come into my arms
Let me know the wonder of all of you
And, baby, I want you now, now, now
Now and hold on fast
Could this be the magic at last?

And could it be magic?

Come, come on, come on
Come, come into my arms
Let me know the wonder of all of you, all of you

Baby, I want you now, now, now
Now and hold on fast
Could this be the magic at last?

Could it be magic?

Come, come on, come on
Come, come into my arms
Let me know the wonder of all of you

Baby, I want you now, now, now
Now and hold on fast
Could this be the magic at last?
