Spirit move me every time I'm near you  
Whirling like a cyclone in my mind  
Sweet Melissa, angel of my lifetime  
Answer to all answers I can find

Baby I love you, come, come, come into my arms  
Let me know the wonder of all of you  
Baby I want you, now, now now and hold on fast  
Could this be the magic at last

Lady take me high upon a hillside  
High up where the stallion meets the sun  
I could love you, build my world around you  
Never leave you 'til my life is done
