Dance away
Dance away
I saw you in the shadows
You were acting so free
I knew the last thing on you mind was me
I could hear the laughter
And from that moment after
Girl, you had my pride down on its knees
Who does your night belong to
Now that I'm gone
Does he call you baby all night long
Who does your night belong to
Who is the one you turn to
Are you dancing to our favorite song
Dance away
It's only my mind you're taking
Dance away
It's only my heart you're breaking
If I've lost my touch, go on and give me up
And dance my love away

I can make it on my own
My love will survive
I will find someone to get me by
But I'll be left with feelings
That will go unsatisfied
My need for you is very much alive
Dance away
It's only my mind you're taking
Dance away
It's only my heart you're breaking
If I've lost my touch, go on and give me up
And dance my love away
Dance away
Go on dance away
It's only my mind you're taking
Dance away
It's only my heart you're breaking
If I've lost my touch, go on and give me up
And dance my love
Dance my love
Dance my love away
