I'd like to send the world an invitation
And throw a party for everyone
A night of brotherhood and celebration
And you can bet before the night is done
Everybody will see that we're a family
And all humanity
We'll be dancing' in the aisles
Dancin' in the aisles
As the music keeps playin'
Everyone will be movin' in harmony
Dancin' in the aisles
Every mother's child will discover
The lovin' each other
Dancin' in the aisles
We'll bring our dreams and stream them from the
rafters
We'll come together let the good times roll
When people care and share a little laughter
They feel a beauty in each others soul
Everybody will glow
The feelings gonna grow when we start letting go
They'll be dancing' in the aisles
Dancin' in the aisles
As the music keeps playin'
Everyone will be movin' in harmony
Dancin' in the aisles
Every mother's child will discover
The lovin' each other
Dancin' in the aisles
I'd like to send the world an invitation
A night of brotherhood and celebration
Dancin' movin' in harmony
Dancin' in the aisles
Dancin' in the aisles
As the music keeps playin'
Everyone will be movin' in harmony
Dancin' in the aisles
Every mother's child will discover
The lovin' each other
Dancin' in the aisles
Dancin' in the aisles
Dancin' in the aisles

And the music keeps playing
Everyone will be movin' in harmony
