I'm singing to the world  
It's time we let the spirit come in  
Let it come on in  
I'm singing to the world  
Everybody's caught in a spin  
Look at where we been  
We been running around, year after year  
Blinded with pride, blinded with fear

But it's daybreak, if you wanna believe  
It can't be daybreak, ain't no time to breathe  
Said its daybreak, if you'll only believe  
And let it shine, shine, shine all around the world

Sing it to the world  
What's the point in putting it down  
There's so much love to share  
I'm singing to the world  
Don't you see it all comes around  
To feeling's everywhere  
We been closing our eyes, day after day  
Covered in clouds, losing our way

Hey, but it's daybreak, if you wanna believe  
It can't be daybreak, ain't no time to breathe  
Said its daybreak, if you'll only believe  
And let it shine, shine, shine all around the world

Yes and its daybreak, if you wanna believe  
It can't be daybreak, ain't no time to breathe  
Said its daybreak, if you'll only believe  
And let it shine, shine, shine all around the world
