Miss the saturday dance
heard they crowded the floor
I couldn't bare it without you
don't get around much anymore
thought I visit the club
got as far as the door
they have asked me about you
don't get around much anymore
well darling I guess
my mind's more at ease
but never the less
I stir up memories
been invited on dates
might have gone but what for
awfully different without you
don't get around much anymore
well darling I guess
my mind's more at ease
but never, never the less
a baby why stir up memories
I miss the dance again
might have gone but what for
awfully different without you
don't get around much anymore
