Time

you found time enough to love
and I found love enough to hold you
so tonight, I'll stir the fire you feel inside
until the flames of love enfold you

layin' beside you, lost in the feeling
so glad you open my door
come with me
somewhere in the night we will know
everything lovers can know
you're my song
music too magic to end
I'll play you over and over again
lovin' so warm, movin' so right
closing our eyes, and feeling the light
we'll just go on burning bright
somewhere in the night

you'll sleep when the morning comes
and I'll lie and watch you sleeping
and you'll smile, when you dream about the night
like it's a secret you've been keeping

Layin beside you lost in the feeling
so glad you open my door
you're my song
music too magic to end
I'll play you over and over again
lovin' so warm, moving so right
closing our eyes and feeling the light
we'll just go on burning bright
somewhere in the night
we'll just go on burning bright
somewhere in the night.
