Your green eyes with their soft lights,
Your eyes that promise sweet nights,
Bring to my soul a longing, a thirst for love divine.
In dreams I seem to hold you, to find you and enfold
you,
Our lips meet and our hearts, too, with a thrill so
sublime

Those cool and limpid green eyes -
A pool wherein my love lies.

So deep that in my searching for happiness
I fear that they will ever haunt me,
All through my life they'll taunt me
But will they ever want me?
Green eyes, make my dreams come true.

Green eyes with their soft lights
And eyes that promise sweet nights
Bring to my soul a longing, a thirst for love divine.
In dreams I seem to hold you, to find you and enfold
you,
Our lips meet and our hearts too, with a thrill so
sublime.

Those cool and limpi green eyes
A pool where in my love lies
So deep that in my searching for happiness
I fear that they will ever haunt me,
All through my life they'll taunt me.
But will they ever want me?
Green eyes, I love you.
