I got the horse right here  
his name is Paul Revier  
and here's a guy who says if the weather's clear  
can do, can do  
this guy says the horse can do  
can do, can do  
I'm picking valentine  
cause on the morning line  
the guy has got him figured 5 to 9  
has a chance, has a chance  
this guy say the horse has a chance  
if he says the horse has a chance  
has a chance, has a chance  
no way  
for Paul Revier I'll bite  
I hear his foots alright  
of course it all depends  
if it rained last night  
I know it's valentine  
the morning word the find  
besides the jokey's brother's a friend of mind  
needs grace, needs grace  
this guy says the horse needs grace  
he says that the horse needs grace  
needs grace, needs grace  
hey wait a minute fellows  
have you consider this  
well anyway, it's my turn to sing  
so shut up  
oh really  
but look at appetat  
he wins it by a hair  
according to this here in the telegraphy  
big threat, big threat  
this guy calls the horse big threat  
if he calls the horse big threat  
big threat, big threat  
I tell you Paul Revier  
now this is no bum stear  
it's from my handy cap that is real sincere  
I go from valentine

cause on the morning line  
the guy has got him figured 5 to 9  
has a chance, has a chance  
the guy says the horse has a chance  
Paul Revier  
valentine  
appatat  
I got the horse right here
