The road is long with many a winding turn  
That leads us to who knows where, who knows when  
But I'm strong, strong enough to carry him  
He ain't heavy, he's my brother

So on we go, his welfare is my concern  
No burden is he to bear, we'll get there  
For I know he would not encumber me  
He ain't heavy, he's my brother

Oh if I'm laden at all, I'm laden with sadness  
That everyone's heart isn't filled with the gladness  
Of love for one another

It's a long, long  
It's a long, long road from which there is no return  
While we're on the way to there, why not share  
And the load doesn't weigh me down at all  
He ain't heavy, he's my brother
